**Product:** Jablite Thermal Floor System Incorporating Structural Boards

### Scope and Summary of Certificate

Thermal Floor System for use in suspended concrete ground floors in conjunction with a concrete topping.

Conditions of Approval:

1. Premier Guarantee accepts the use of Jablite Thermal Floor System Incorporating Structural Boards, provided it is installed, used and maintained in accordance with Chapter 6 of our Technical Manual.
2. This Product Approval is based on the details and limitations of use described in the current approved BBA Agrément Certificate 14/5094, Product Sheet 4.
3. The Premier Guarantee product approval is based on the current approved BBA Agrément Certificate 14/5094, Product Sheet 4, remaining in place. Should this lapse, the Warranty Product Approval will be withdrawn.
4. The product is designed to be installed by a competent general builder, experienced with this type of product
5. Micro-Polymer-Fibre concrete toppings are not accepted.

Premier Guarantee has awarded this Certificate to the company named above for the product described herein. This product has been assessed by Premier Guarantee as being fit for its intended use provided it is installed, used and maintained as set out in the **Defined Conditions**.
